

GUYTON REINFORCING / MAINLAND REINFORCING PROJECT TEAM

## Mark Guyton

Managing Director

Mark is committed to being the top choice for construction companies seeking exceptional reinforcing steel installation services and takes pride in delivering unparalleled value and service, characterised by high-quality work, efficiency, and a friendly approach.

With a lifelong involvement in the reinforcing industry, Mark has led a number of diverse projects across the globe. His innate focus on efficiency lends a distinctive touch to our services.

Safety holds paramount importance to Mark, and this commitment is ingrained in the culture of both Guyton Reinforcing and Mainland Reinforcing. We have made substantial investments in state-of-the-art equipment, systems, and training to ensure the well-being of our team members and customers alike.
